

**SEJAH FARM OF THE VIRGIN ISLANDS
COMMUNITY SUPPORTED AGRICULTURE (CSA)**

**2020 MEMBER SUMMER PRODUCE (CSA) AGREEMENT
June 13, 2020 to August 29, 2020**

To become a shareholder in *Sejah Farm of the Virgin Islands* CSA from **June 13, 2020 to August 29, 2020** growing season, please fill out and return this agreement with your season's payment. Make checks payable to *Sejah Farm of the Virgin Islands*. Membership is on a first come basis, and submission of this application does not guarantee membership.

I agree to purchase a share in *Sejah Farm of the Virgin Islands* CSA program, I accepted the terms of this membership agreement. Sejah Farm will provide a share/s in their CSA weekly consisting of approximately 7-12 items (shares will vary in size and weight depending on the time of the season or availability). The main aspect of Sejah Farm CSA is that members support their farmer by sharing in the inherent risks of agriculture (poor weather, drought, crop failure, etc.) and the rewards (local organically grown exceptionally fresh vegetables, the bounty of a good season, etc.) involved in farming.

I understand this principle and agree that there is no guarantee on the exact amount or type of produce I will receive in my share. By participating in the Sejah Farm CSA, I am supporting the local farmer as well as more equitable food distribution, and I am helping to create a more environmentally and economically healthy society.

I agree to support the farm with timely payments. I commit to picking up my share(s) weekly and I understand that if I, or someone I designate, is unable to pick up my share(s), they may not get saved.

As a member,

I commit to supporting the farm through my share payment and 1 hour of work each month from **June 13, 2020 to August 29, 2020**.

- I understand that it is my responsibility to pick up my share each Saturday at Sejah Farm Farmer's Market from 7:00 am thru 5:00 pm or, make arrangement for a designated person to pick up the share at the farm. I understand that my share will not be available to me beyond the arranged pick up time. I do not expect to have my share held for me beyond the designated time.

- As a member of *Sejah Farm's* CSA, I will receive a weekly share for **12** weeks.

- The target weekly share should be about enough produce for a family of four or two adults. I understand shares will vary in size and will contain all locally grown vegetables, fruits, herbs currently being harvested or value-added product (honey, preserves, cakes etc.) prepared locally. I also understand that I am sharing the risks as well as the benefits of the farm and that the harvest is subject to growing conditions and other environmental variables and that there is a risk of crop failure. I understand that I am making a financial commitment, that there is no guarantee of the amount of produce that I will receive, and that there will be no refunds.

* *Members may elect to begin helping at the farm before the harvest begins. In this case, volunteer hours may be spread over the additional months.*

* *full share is \$600.00 / half share is \$300.00 for this Fall growing season with a time volunteer commitment of 1 hour per share each month (3hrs total).*

The planning, preparation, and expenses of the CSA begin long before the harvest begins. Therefore, we encourage members to support the farm by including full payment for their share with the Shareholder Commitment Agreement.

This completed Shareholder Commitment Agreement serves as the sole notification of amounts due and I will not be sent an invoice. There are no refunds, however members may recruit someone to take over their share and arrange to receive payment from this new member.
